Fire Gathering Australia 2026

ABOUT FIRE GATHERING

Get ready for something special!

In **Bundaberg, Queensland**, the annual **Fire Gathering Australia** will take place from **5th to 14th September 2026** at **Mabu Liyan Retreat Centre**. It's a truly unique spiritual event brought to you by **Peaceful Life**, alongside a diverse group of gifted teachers and practitioners.

At the heart of it all is the Sacred Fire, which symbolises peace and keeps the whole gathering feeling harmonious. Our Firekeepers will keep it burning continuously throughout all 10 days. It's a wonderful place for like-minded people to gather, share experiences, and learn from one another. And you can expect a variety of inspiring activities throughout the event!

If you're looking to deepen your spiritual connection or simply bring more harmony into your life, you'll feel right at home. You'll have the opportunity to strengthen your intuition, clear energetic blockages, and expand your inner awareness. And for those eager to explore something new, there will be a wide range of powerful healing modalities to experience.

Our Courses:

While you are there, you might even get the chance to dive deep into some fantastic courses:

- Siam Reiki level 1
- Siam Reiki level 2
- Developing Psychic Awareness (DPA)
- Pendulum Diagnosis
- Hawaii Massage level 1
- Crystal Healing
- Tibetan Singing Bowl Basic
- Pilates
- Dehydrated Food
- Dips, Soup, Bread
- Stews and Stir fried
- Salads, Dressings, Sauces

Welcome on board with a wonderful adventure!

Peaceful Life TEACHER

1

Teacher Steve

(Course: Siam Reiki 1, 2, Crystal Healing, Pendulum Diagnosis & DPA)

Master Steve is the Vision Holder of Peaceful Life and Siam Reiki. He has over 30 years of experience in healing and more than 20 years of psychic expertise with Reiki energy. He has trained more than 300 international Siam Reiki healers using tools approved as advanced in the energy field.

2

Teacher Danny

(Hawaii Massage Level 1)

Teacher Danny holds a Diploma in Hawaiian Therapeutic Massage and a Diploma in Remedial Massage, with 22 years of dedicated experience in Hawaiian massage practice. Throughout his career, he has not only refined his hands-on therapeutic skills but has also contributed to training the next generation of therapists. He spent four years teaching Hawaiian therapeutic massage, hot stone massage, and day-spa applications in an academic setting.

As a certified Trainer and Assessor, he consistently upholds high professional standards while generously sharing his extensive knowledge and experience with future practitioners.

Peaceful Life TEACHER

3

Teacher Marion

(Yin Yoga Bowl and Food Courses)

With over 40 years of experience as a remedial therapist, reflexologist, and yoga teacher, Marion is deeply passionate about the healing power of nature and human connection. She dedicates her time to helping individuals release stress, restore balance, and achieve holistic wellness through movement, diet, and mindful practices.

4

Teacher Celine

(Tibetan Singing Bowl Basic)

Ms. Celine is a Tibetan Singing Bowl Basic Teacher at Peaceful Life, blending sound healing with Reiki and mindfulness. With a calm, loving presence and deep life experience, she supports others on their healing journey, promoting self-love, energy balance, and spiritual growth through natural, holistic practices.

5

Annette Sykes

(Siam Reiki Level 1)

Annette Sykes is a dedicated holistic therapist and Siam Reiki Master with more than two decades of experience in healing, education, and personal development. Her journey has encompassed a wide range of complementary therapies, including Hawaiian Massage (Lomi Lomi), Remedial Massage, Pregnancy Massage, Hot Stone Therapy, Oncology & Scar Therapy, and Reiki, giving her a well-rounded and compassionate approach to supporting others.

SIAM REIKI LEVEL 1

Reiki is an effective energy transmission therapy. In the Siam Reiki Level 1 class, you will receive 4 attunement sessions from Master Steve, then safely connect to your own Spiritual Guides from the Highest Good. Your chakras and aura expand, your vibrational frequency increases, helping to promote a healthier mind, body, and spirit.

Siam Reiki Level 1 class is designed for:

- Beginners interested in energy and healing
- Those seeking to improve their mental and physical well-being
- Individuals looking for inner peace and a deeper connection with themselves
- Anyone developing themselves personally and spiritually

Fire Gathering Australia 2026

SIAM REIKI LEVEL 2

With Siam Reiki Level 2, your energy interaction expands across all 4 bodies: physical, emotional, mental, and spiritual. This not only increases the effectiveness and range of what a hands-on session brings to others, but also supports you.

Siam Reiki Level 2 class is designed for:

- Proficiency in direct or remote therapy for others, releasing and transforming blockages comprehensively across the 4 energy bodies.
- Sensitivity and development of the psychic senses through therapy sessions for others and for oneself.

PENDULUM DIAGNOSIS

This class is a natural next step to help you expand your sensory awareness, strengthen your intuitive connection, and refine your energy diagnostic skills where tools and intuition merge into one.

In this course, you will be guided to:

- Cleanse, activate, and use the pendulum with proper methods, ensuring safety, accuracy, and consistency in every session.
- Search for and read energy information across four bodies: physical, emotional, mental, and spiritual.
- Connect deeply with spiritual guides, expand your intuitive perception, and maintain a calm, centered state during energy diagnosis.
- Practice hands-on techniques, developing sensitivity and precision in reading energy.

Prerequisite: Completion of Siam Reiki Level 2.

Fire Gathering Australia 2026

DEVELOPING PSYCHIC AWARENESS (DPA)

This progressive meditation takes place over 30 sessions, each session further activating the Third Eye to increase psychic awareness. For sensitives and healers, this course will develop a set of psychic skills which can be used on an everyday basis.

The DPA class is not only developing psychic course but also a transformative journey. During this process, your blockages will gradually be identified and removed. DPA is one of the most emotional and tear-filled classes of Siam Reiki. The challenge of this class is that you are required to face many things within yourself.

Prerequisites: Students must be over 18 years old. They must have completed Reiki Level 1.

Fire Gathering Australia 2026

HAWAIIAN MASSAGE LEVEL 1

Lomi Lomi is a traditional Hawaiian healing massage that uses long, flowing, wave-like strokes to relax the body.

The technique supports deeper physical and energetic balance. Its rhythmic movements activate meridians and energy points helping release energetic blockages and encouraging the body's natural healing processes. Continuous strokes stimulate the lymphatic system, aiding waste removal and reducing fluid retention.

Improved blood circulation delivers fresh oxygen and nutrients throughout the tissues.

The massage helps regulate and support the nervous system. Beyond physical benefits, Hawaiian Massage works with the body's natural energy to release emotional blockages. It can restore a sense of harmony, grounding, and overall wellbeing

Prerequisites: No massage experience required however attendees must complete a level 1 Reiki prior to attendance.

CRYSTAL HEALING

This is not just a course, but a mindful experience where intuition, energy, and inner wisdom are awakened and expanded.

In this course, you will:

- Gain a deep understanding of the energy resonance of crystals; how they interact with, support, and nurture people in a natural, safe, and loving way
- Activate your ability to sense energy through your palms, creating a subtle connection between you and each crystal you touch
- Practice integrating crystals into Reiki to soothe emotions, release blocked energy, and raise your vibrational frequency for energy healing
- Learn how to cleanse, recharge, and communicate with crystals so they remain clear, pure, and full of vitality
- Apply crystals in daily life to support deep sleep, emotional balance, space cleansing, and the nourishment of your life energy

When the course takes place within the sacred setting of the Fire Lighting Ritual, the energy of purification and transformation is amplified helping you more clearly experience the harmony between crystals, nature, and your own soul.

YIN YOGA BOWL

What is Yin Yoga?

- **Slow and Passive:** Unlike more active (yang) styles like Vinyasa or Power Yoga, Yin Yoga involves holding poses for longer periods, usually 3 to 5 minutes or even longer.
- **Focus on Stillness:** The practice encourages stillness and mindfulness, helping practitioners turn inward and cultivate a calm, meditative state.
- **Targets Deep Tissues:** By holding poses for extended periods, Yin Yoga gently stretches and stresses the connective tissues, improving flexibility and joint mobility.
- **Cool Body Practice:** It's typically practiced with cold muscles (no warm-up) to ensure the deeper tissues, not just the muscles are engaged.

PILATES

What is Pilates?

Transform the way your body moves and feels.

Pilates is a mindful, low-impact workout that targets deep structural muscles to improve posture, build core strength, and enhance overall flexibility. Through controlled, precise movements and focused breathing,

Pilates creates a balanced, resilient body while calming the mind. Perfect for beginners and athletes alike, it is the ultimate practice for lifelong physical health.

TIBETAN SINGING BOWL BASIC

1-day course

Teacher Celine

480 AU\$ /person

6th Sept 9 AM – 5 PM

12th Sept 9 AM – 5 PM

Tibetan Singing Bowls uses sound and vibration to promote well-being. When played, the bowls produce harmonic tones that can calm the nervous system, support deep meditation, improve sleep, strengthen the immune system, and support the regulation of stress and mood-related hormones like cortisol, melatonin, and serotonin.

This introductory course provides foundational knowledge and practical skills for using Tibetan Singing Bowls in self-healing, meditation, and personal well-being. It also serves as a preparatory step for further training in professional sound healing level 1-3.

Fee Includes Handcrafted bowl from Nepal

DEHYDRATING FOOD

Dehydrating food is one of the oldest and most effective ways to preserve food without the use of toxic chemicals or the need for cold storage. It prevents food from spoiling from bacteria, yeast and moulds that can grow on it.

Drying meals is an excellent way to have easy light weight nutritional snacks and meals when traveling away from home

It gives food a long shelf life if stored correctly and can be kept for years.

In this course we will explore the “How, why, what” of dehydration and get to taste “End Results” of what we do.

We will be working with activating nuts & seeds, fruit & veg as well as complete meals. Drying for different end results.

It's a fun interactive few hours to explore new ways to by healthy and filled with vitality

STEW, BAKES AND STIRFRIES

Playing with the ingredients that are available out in the market place and some extra in the garden and how to create meals in a slow cooker at the same time as preparing a quick stir-fry full of healthy options and using the oven to bake and increase nutrition in our food.

Why cooking from scratch is optimal and the healthy options available that can save time and money and add to our health and wellbeing with ease and grace.

Prepping veggies and pulses, playing with herbs and spices for nutritious, delicious options.

Come and join in for a fun filled, tummy filled with good food experiences

SALADS DRESSINGS & SAUCES

This is where we explore the magic of making ordinary food extraordinary.

How can we understand the basics of taste to change our old habits to create food that will heal the body and satisfy our tastebuds.

Combining foods that you may not have thought about before in a way you may not have thought of before....

Returning to basic favourites and adding the special touch that can make all the difference to our health and vitality as well as being tasteful. Come and join us for a few hrs of fun

DIPS, SOUPS & BREADS

This is an interactive few hrs where we experiment with different grains, seeds, legumes, fruit & veg to create Breads, muffins and wraps for a variety of healthy food options. Both savoury and sweet will be explored and how to work with the tastebuds to support new foods into our life. What are the health benefits and how and why do we cook from scratch.

Looking at different ingredients to make into dips and soups to go with our breads and muffins for meals and snacks that are both nutritious and delicious.
